Press Release

Revolt Motors Expands Global Footprint with Entry into Nepal

- Launches first Revolt Hub in Kathmandu in April 2025.
- Partners with MV Dugar Group, one of Nepal's leading automotive groups.
- Plans rapid expansion with fifteen showrooms across key cities in the next 3-4 months.
- Full product lineup including RV400, RV400 BRZ, RV1, RV1+ and RV BlazeX to be available, backed by a comprehensive after-sales service network.

New Delhi, March 20, 2025: Revolt Motors, India's No.1 electric motorcycle company, is proud to announce its entry into **Nepal**, further expanding its international presence after a successful debut in **Sri Lanka**. Revolt Motors, in partnership with the **MV Dugar Group, one of Nepal's most reputed Group with a legacy of 140 years and 52 years in the Automobile Industry**, will open its flagship **Revolt Hub** in **Kathmandu** in April 2025. This strategic move underscores Revolt's commitment to accelerating the adoption of sustainable mobility solutions in key global markets, starting with South Asia.

The Kathmandu Revolt Hub will display Revolt's complete product portfolio, including the flagship **RV400**, the stylish **RV400 BRZ**, the practical **RV1 and RV1+**, and the newly launched high-performance **RV BlazeX**. Customers will also have access to official accessories and branded merchandise. To deliver a seamless ownership experience, Revolt is establishing a **robust after-sales infrastructure**, with fully equipped service stations at all dealership locations across Nepal.

Over the next **3-4 months**, Revolt plans to open **fifteen showrooms across major cities**, making cutting-edge electric mobility solutions accessible to a wider customer base in Nepal.

Commenting on the expansion, **Ms. Anjali Rattan, Chairperson, RattanIndia Enterprises Limited, said**, *"Nepal is a key strategic market for Revolt Motors, given its strong push for clean energy and growing demand for sustainable mobility. Its unique topography, where motorcycles are a preferred mode of transport, presents an exciting opportunity to introduce our smart, efficient electric motorcycles. This expansion aligns with our vision to drive electric mobility across international markets, with plans to enter Southeast Asia, the Middle East, and Africa soon."*

She further added, *"With our advanced EV technology and partnership with MV Dugar Group, a trusted name in Nepal's automotive sector, we are committed to delivering world-class products and services to Nepalese customers."*

To ensure customers receive exceptional service, **comprehensive training programs** will be conducted for dealership and service personnel, equipping them with in-depth knowledge of

Revolt's **advanced technology, product features, and customer-first approach**. As part of the market entry strategy, **exclusive early-bird promotional offers** will also be introduced to encourage early adoption of electric motorcycles in Nepal.

Mr. Moti Lal Dugar, Chairman, Dugar Brothers & Sons Pvt Ltd added, *"We are delighted to partner with Revolt Motors to introduce their revolutionary electric motorcycles in Nepal. As awareness and demand for eco-friendly transportation continue to grow, we are confident that Revolt's smart, stylish, and high-performance motorcycles will strongly resonate with Nepalese customers. Nepal's commitment to clean energy-driven vehicles positions Revolt to become a leading brand in the market. Together, we look forward to driving Nepal's transition towards a cleaner, greener future."*
